ASSIGNMENT
LIMITED SCREENINGS
LT BARRY STOWELL
PERS 40BB**

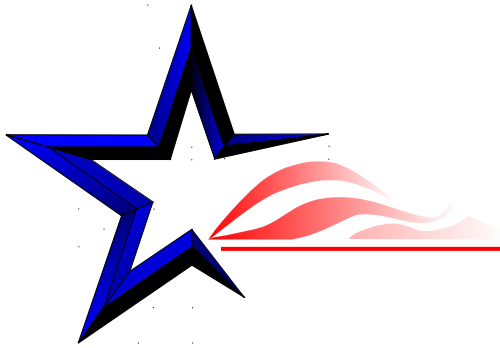

WORLDWIDE ASSIGNABILITY

(Fit for Duty, but not for Sea Duty)

- **Presently over 800 personnel with 0090 NEC (Not Operationally Suitable or Assignment Limited)**
- **Since beginning of FY-04:**
 - **Staffed over 2,100 Unsuitable for Operational Duty and Assignment Limited messages.**
 - **Directed 890 ADSEPs and 265 Fleet Reserve Applications.**
- **If a person is found operationally unsuitable, the following will be applied:**
 - **If limitations are minor, member will be reviewed for Type 3 or 6 duty near an MTF.**
 - **If over 18 years of service, member will be retained to reach 20 year fleet reserve date.**
 - **If under 18 years of service, member may be considered for separation per MPM 1910-120 based on not being world wide assignable.**
- **Ensure commands are following MILPERSMAN 1300-800 and 1300-801 when completing Operational/Assignment Screening Messages.**

LIMDU CHANGES (NAVADMIN 079/05)

- **LIMDU/Operational Screening Work Group met in Jun 04 with following policy changes implemented:**
 - **Instead of “Suitable or “Unsuitable”, members will be classified as either “Worldwide Assignable” or “Assignable with Limitations”.**
 - **Assignment Screening quick screen short form only related to condition for which member was LIMDU. No dental, blood work, financial, etc.**
 - **Assignment Screening to be completed within 15 days after being found Fit for Continued Naval Service or Returned To Duty at conclusion of LIMDU.**
 - **Sailors will be limited to two 6 month LIMDU periods, Max of 12 months LIMDU in a career.**

4,070 Sailors currently on LIMDU
